STEP 1

 or each dependent, provide the following documentation:				
Copy of biographic page of dependent's passport				
For spouse, a copy of marriage certificate translated into English				
For child, a copy of birth certificate translated into English				
A photograph of each J-2 dependent, with name printed on the back of the photograph(s). (For ISO immigration file)				
Proof of additional funding, as applicable: Beyond the J-1 funding minimum of \$28,000 per year (equivalent to \$2,333 per month), an additional \$500 per month per J-2 dependent is required. If UR salary or non-UR funding is not sufficient to meet your J-1 and J-2 combined funding minimums, then additional proof of funding showing the J-1 has sufficient funds is required. Personal bank statements of liquid assets or proof of scholarships, grants, or fellowships (UR or non-UR) are the appropriate means of proof (with English translations, as necessary). Please do not submit financial documentation regarding property value, non-liquid assets, or attestation letters of dependent or non-J-1 salary information. Please contact ISO if you have questions about an appropriate means of funding proof or total amount you need to prove.				

STEP 3

Submit questionnaire and other required documentation to the J-1's host department. The host department will then forward the packet to the ISO. Please note, the ISO cannot process a request for a dependent's DS-2019 if any of the items above are missing.
